WHAT'S NEW

Halloween Party & Bring a Friend Day—Tuesday, October 29th
(during Canskate & Junior sessions)

All skaters (including Thursday night skaters) are invited to come out for our Halloween party! Wear your costume and be ready for an evening of fun, games, treats and a costume contest. Awards will be handed out for Cutest Costume, Most Original Costume, Scariest Costume, and Funniest Costume. Bring a friend along to join the fun too! **Friends will need to wear a CSA approved hockey helmet.** It's going to be a Spooktacular night!

Note: Program Assistants are encouraged to wear a costume and seniors are welcome to wear a costume during their ice time.

Personalized Ornaments

During the beginning of November you will have an opportunity to purchase personalized skating ornaments for your tree or as a gift. More to come!

VOLUNTEERING OPPORTUNITIES

We are seeking volunteers to assist with making candy bags for the Halloween party. Sign up will be at the lobby table. A credit towards the volunteer fee will be offered.

We are hoping to participate in the Wallaceburg Santa Claus parade in November. If anyone has a truck and wagon/flat bed that the club could use to decorate, please let us know at the lobby table. Credit towards the volunteer fee for use of the truck and wagon/flat bed will be offered.

All volunteer opportunities are available in the information book at the table in the lobby.

Reminder: Please drop off your \$100 volunteer fee cheque or cash to the table in

FUNDRAISING

Our first fundraiser will be **DFS Canada**. Every family had a catalogue, order form, and instructions to create an online ordering link in their skaters' hanging folder. Orders are due on **Tuesday, October 29** with money coming back to the club. You will receive a volunteer credit for selling \$200 worth of product.

This fundraiser will help us to freshen up our costumes for the Pop Concert at the end of the year.

We appreciate your support with our fundraising efforts!

CANSKATE

During the first few weeks skaters will be evaluated by our coaches and will be placed into the appropriate level group. Canskate is divided into five different colour coded levels. Once the skaters are placed in their groups they will be given their colour. This makes it easier for the skaters to remember which group they are in as well as if you have any questions you can refer to the colour group.

MARK YOUR CALENDARS

Planning your holidays already?!? We want you to be aware of all our great events that allow skaters to show off their skills throughout the season.

**December 19th: Christmas Showcase; February 11th: Valentine's Showcase;
March 29th: Year End Pop Concert**

REMINDERS

- Please watch your children from the arena seating or lobby and not on the players benches
- All skaters **must** wear a CSA approved hockey helmet until stage 5 badge has been passed. A face cage is recommended for CanSkate.
- It is important to ensure that skaters have sharp skates to allow the best opportunity for skill improvement. Please remember to sharpen skates
- Skaters are to use the dressing rooms to put skates on instead of the lobby or stairwells. This is a fire hazard! Your assistance with this is appreciated.
- Senior Skaters—remember the right of way on free skate session belongs to the skater who is "On Program" (skater whose music is being played).

REGISTRATION FEES

As a Board we want to ensure transparency. We are always striving to do what is best for all our skaters and the club. Here is what your

registration fees pay for:

- Ice Rental
- Coach Fees & PA Incentives
- Skate Canada Fees
- Ribbons, Badges and Year End Trophies

Many hands make for light work. We are always open to people joining our Board!
